OBJECTIVE

Learning is an active process by the students, facilitated by the teachers. As a faculty member at the University of Balochistan, one of my goals has been to facilitate the process by which students learn. This entails delivering clear lectures and inspiring students to take responsibility for their own learning. One way to inspire students is to develop interesting and pertinent coursework.

PERSONAL STATEMENT

I am an enthusiastic lecturer and like the challenging jobs to accomplish with excellence by leading an efficient teamwork even in a high-pressure environment. I am skilled in research work and history.
